In a land far away where people still believe in magic, there are legends passed about in whispers from parent to child. These legends tell of a magical tree hidden deep in a mystical forest, and the whimsical, cuddly bears that live together in peace under its branches. From this tree, powerful crystals grow, each with the power to grant wishes.

Whimsi Bears™

Wish Cycle

- 1** Hidden deep in Twinkletree Forest is a magical Wishwillow tree, where magic crystals of positive energy - Wish Crystals - grow.

- 2** Whimsi Bears take these precious crystals and place them in special frames for delivery to children everywhere.

- 3** When combined with the Ring Collars worn by the bears, they can be worn as Wishing Rings.

- 4** Children can make sincere wishes with the power of the Wishing Rings. The sincerity and faith of children allows the Wishwillow to grow strong and healthy.
